# High Quality Material Handling Products

*Products that Move, Quality that Stays!*

# STANDARD DUTY

## STEP STOOL

Rugged enough to hold up to 350 lbs.! The molded-in, no-slip surface prevents falls. Four non-marking, retractable casters and anti-skid bottom makes it easy to maneuver and hold it in place during use.

## HUSKEE™ ROUND AND SQUARE

These receptacles are the standard in the industry. Ideal for waste collection in applications from food service to schools & institutions to industrial. Add a lid for pest/odor control or a dolly for mobility. Available in 10-55 gallon capacities.

## PORT-A-CART

Structural plastic shelves and steel frame make this cart durable and economical. Features 3" non-marking, swivel casters and a 4 bushel, yellow duck bag.

# MEDIUM DUTY

## SERVICE / BUSSING CART

Three shelf cart features 4" heavy-duty, non-marking, all-swivel casters. Applications range from industrial use to food service and bussing. Supports 200 lbs. per shelf (400 lb max). Accepts, without tools, the 5810 and 5812 silverware and refuse bins.

## HUSKEE® BACKSAVER

This receptacle is everything the Huskee® is and more. Internal lift vents, break the vacuum caused when removing a poly liner. Add an optional lid or dolly to contain odors and add mobility. Available in 32 and 44 gallon capacities.

## JANITORIAL CARTS

The workhorse of the industry! Designed to accommodate and organize the tools and supplies required by today's stringent facility managers. Over-sized wheels and casters. The logical choice for nearly every application!

# HEAVY DUTY

## PNEUMATIC UTILITY CART

The 8" fully pneumatic caster and all plastic design provides a smooth, cushioned, quiet ride that is ideal for transporting fragile items over rough surfaces. Supports 200 lbs. per shelf (400 lbs. max).

## SUPERKAN™ MATERIAL HANDLER

The SuperKan® Material Handler is the strongest receptacle on the market today. Designed for tough industrial applications, rendering, factory and foundry use. The 44gallon capacity holds up to 700 lbs.!

## CONVERTIBLE JANITOR CART

The only plastic janitorial cart in the industry with an extended/dual front tray. Accommodates a variety of cleaning accessories such as the Splash Guard™ Combos, Unibody Mopping System, 32 or 44 gallon Huskee® or SuperKan® (with or without the dolly).

## STANDARD DUTY

### 16 CUBIC FOOT CUBE TRUCK

This cube truck features diamond caster configuration for finger touch maneuverability, ideal for areas with tight spaces. Commonly used in hotels, resorts, factories and laundry applications. Available in black or recycle versions.

### UTILITY PLATFORM TRUCK

Structural plastic construction and rounded corners protect against accidental wall and door damage. Deck will not rust, dent, chip, peel or splinter unlike conventional metal or wood versions. 24" x 48" and 30" x 60" units both have a 700 lb. capacity.

### 5/8 CUBIC YARD TILT TRUCK

Rotational molded, one-piece, extra strong construction. Inset wheels and casters prevent accidental wall and door damage. Ideal size for waste collection in offices and food service applications. Optional lid keeps odors in and pests and rain out.

## MEDIUM DUTY

### CONSERVICE BIN

The patented multi-position, self-storing lid allows greater access to the bin contents, while preventing lid contamination. Built-in, front assist handle for easy vehicle loading and unloading. Ideal for hotels, catering, schools, resorts and sports centers.

### STANDARD PLATFORM TRUCK

Structural plastic construction is the ideal material for these versatile platform trucks. This 1200 lb. capacity unit is available in both 24" x 48" and 30" x 60" sizes.

### 1.1 CUBIC YARD TILT TRUCK

Rotational molded, one-piece, extra strong construction. Inset wheels and casters prevent accidental wall and door damage. Size is ideal for waste collection in industrial and commercial settings. Optional lid keeps odors in and pests and rain out.

## HEAVY DUTY

### LODGING CARTS

Ergonomic aluminum handles turn from either end. Vacuum ledge and handle notch are standard. Built-in tool holders organize common cleaning items. Center wheel design allows a 360° turning radius. Ideal for large hotels and resort properties.

### HEAVY-DUTY PLATFORM TRUCK

Features structural plastic construction with heavy-duty steel understructure. Rounded corners protect against accidental wall and door damage. This 2200 lb. capacity unit is available in 24" x 48" and 30" x 60" sizes.

### 1.5 CUBIC YARD TILT TRUCK

Rotational molded, one-piece, extra strong construction. Ideal for large waste collection requirements in industrial or commercial settings. Optional lid keeps odors in and pests and rain out.
