

Sanitizer & Soap Pails

Color-coded pails reduce the risk of cross-contamination!

- Reduce the risk of confusion between sanitizer and soap solution containers ~ **RED** for sanitizer and **GREEN** for soap solution
- Meet HACCP guidelines for cleaning and sanitizing cloths used to wipe down surface areas
- Easy-to-see graduations are molded inside the pails
- Printed on two sides, one side English and the other in Spanish
- Available in 3, 6 and 8 quart sizes
